## **G O L D E N B R I C K F O U N D A T I O N**

We are a small Christian Orthodox community, dedicated to building our church. With the efforts and regular donations of about sixty families we purchased a piece of land last year. For our Sunday services we have been using a hall of the Anglican Church that has been kindly offered to us for the last five years. Our congregation consists of many different nationalities.

Our regular income is only sufficient to cover the mortgage expenses, but not to start building a sanctuary. Therefore, we would like to ask all good will people to help by their donations. According to the New Zealand law, each donation is tax deductible and receipts will be given upon request.

We have our account with ASB Bank:

Name of the account: **Mission of Synaxis of Serbian king St Milutin**  
Account number: **12-3018-0095769-00**

For donations of NZ\$1,000, a specially designed brick called a **Golden Brick** will be given, that will be built into church wall. Donors will also be entitled to have their names displayed on their **Golden Brick** on a church wall if they so desire.

All who help in any way will be regularly prayed for during Sunday church services.

Any help and any donation will be greatly appreciated.

Sincerely Yours,

**Fr Lazar Caran**

Administrator of the Mission of Synaxis  
of Serbian king St Milutin
